SUBJECT: Updating Info for AA Schedule – Meeting Categories

I am updating the meeting categories to include the ones that are most often requested by people calling the Central Office. There will be three new categories: Native American, Daily Reflections, and Living Sober. Two seldom used categories will be deleted: 12x12 (can be replaced by using the categories of Step Study and Traditions Study) and Candlelight.

To get the correct information into the online database and printed schedule, please have your groups complete the attached form and then get the information to me by one of the following methods:

- Fill out the online form at www.albuquerqueaa.org.
- Call the Central Office desk worker at 266-1900 and have she/he fill out the form according to your instructions.
- Send me an email at schedule@albuquerqueaa.org. You can scan and attach the form or just explain how it should be filled out.
- Take or mail the form to Central Office at 1921 Alvarado Dr, NE, Albuquerque, NM 87110.

Many thanks for your help with this. We rely on you to tell us the information we need to keep the schedule accurate!

Please check the boxes to indicate the format of the meetings your group is having. You can check as many as apply, but please note that if you check more than four, they may not all show up on the printed schedule because of space limitations.
